Ph.D. POSITION IN ALGEBRAIC GEOMETRY

At the Faculty of Mathematics of the University of Vienna we offer a three years Ph.D. position in Algebraic Geometry, starting spring or summer 2010. The candidate is expected to form part of the FWF-Project Group *Solving Algebraic Equations* of Herwig Hauser. Special interest in geometric and algebraic methods is assumed. The topic of research will focus on singularities of algebraic varieties, especially their resolution in positive characteristic.
